

Petition to Unlock the Vote WI

I support restoring voting rights to people on community supervision for a felony conviction.

1. The right to vote is fundamental to our nation's democracy and should be guaranteed to every citizen.
 2. One out of every 9 African Americans are disenfranchised in comparison to one out of every 50 Wisconsin voters.
 3. Research proves that restoring voting rights upon reentry helps lower recidivism & assists with rehabilitation and reintegration into society.
- We, the undersigned, are concerned citizens of the State of Wisconsin who urge our legislature and Governor Tony Evers to act now to restore voting rights to people upon their release from prison regardless of their status on Supervision.
